

**REMARKS**

The Office Action mailed February 7, 2007, has been received and reviewed. Claims 24-39 stand rejected, claims 1-23 and 40-59 are allowed and claims 60-63 are objected to. Applicants have cancelled claims 24-39 without prejudice or disclaimer of subject matter, and amended claims 60-63. Accordingly claims 1-23 and 40-63 are pending in the application. Applicants respectfully request reconsideration of the application as amended herein.

**Claim Objections**

Claims 60-63 were objected to as requiring appropriate correction. Applicants have made the appropriate correction in the manner consistent with the Office Action, and thus respectfully request the objections to be withdrawn.

**35 U.S.C. § 102(e) Anticipation Rejections**

Claims 24-39 stand rejected under 35 U.S.C. § 102(e) as being anticipated by Kadaba et al. (U.S. Publication No. 2002/0172217). As shown above, claims 24-39 have been cancelled. The Applicants thus respectfully request the rejections of claims 24-39 to be withdrawn.

**CONCLUSION**

Claims 1-32 and 40-63 are believed to be in condition for allowance, and an early notice thereof is respectfully solicited. Should the Examiner determine that additional issues remain which might be resolved by a telephone conference, the Examiner is respectfully invited to contact Applicants' undersigned attorney.

Respectfully submitted,

Dated: May 3, 2007
